

Second Quarter 2022 Investment Activity

In Q2 2022, Clearlake announced a total of 3 exits; 7 new platform acquisitions, inclusive of 2 structured investments; and 9 add-ons.

Clearlake and WhiteStar have continued to provide direct structured credit-orientated capital solutions to U.S. and European operating companies. Clearlake and WhiteStar have invested ~\$3.5 billion in credit-oriented products in U.S. and European issuers in the form of primary and secondary structured debt investment, senior and junior secured and unsecured debt, participating preferred, and other credit-oriented structures.

We continue to remain active across our core sectors and look for ways to creatively invest.
