

Second Quarter 2023 Investment Activity

In the second quarter of 2023, Clearlake announced one exit and eight add-on transactions. The successful exit of Archer illustrates the resilience of our investment strategy, delivering both growth and value. We further expanded our portfolio through eight add-on acquisitions, each one selected to supplement and fuel the growth of our existing investments. Clearlake believes these add-on acquisitions reinforce the strength of our portfolio and showcase commitment to pursuing opportunities for sustainable growth.

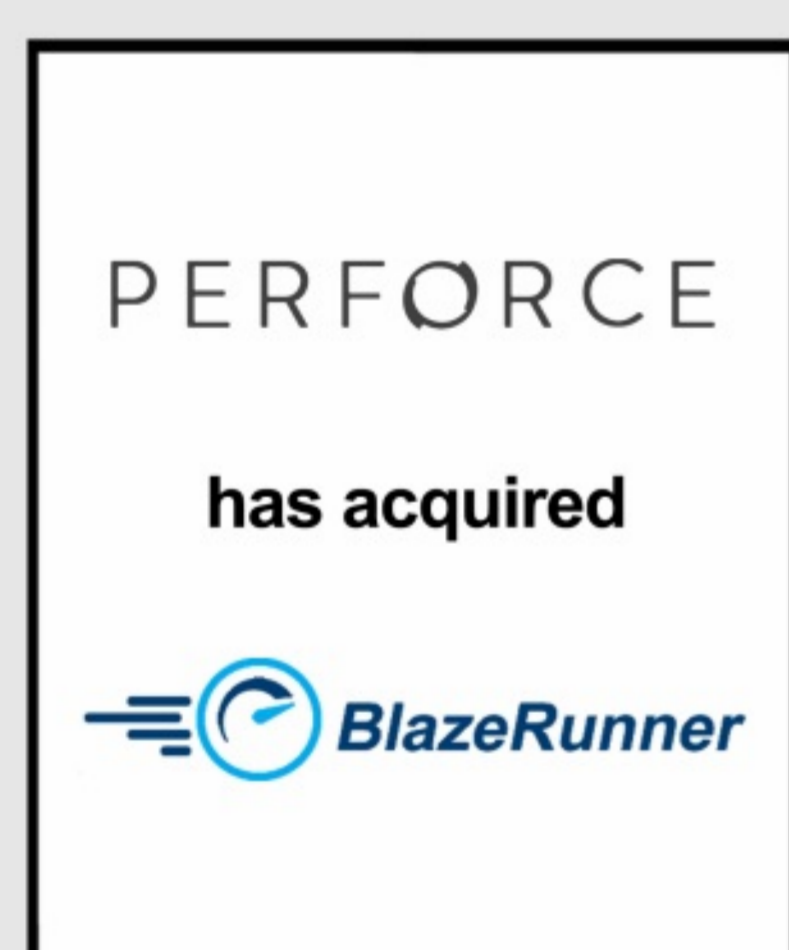

Exit Updates:

Clearlake Completes Sale of Archer to Cinven

Archer executed on an investment thesis focused on repositioning the business as a leading standalone IRM platform centered around ESG risk quantification.
